

**CALIFORNIA COMMUNITY CHOICE ASSOCIATION
PARTNER APPLICATION**

Parties who want to support the interests of California Community Choice electricity providers and are in a non-government role can apply to be a CalCCA Partner. Eligible Partners may include vendors, suppliers, developers, professional service providers, scheduling coordinators, customer stakeholders, non-profit organizations, trade associations and other businesses who provide services to or work in coordination with California CCAs.

The applicant listed below is requesting to be a CalCCA Partner. The applicant is prepared to pay the applicable dues, which are currently set at \$3,000 annually, renewable at the end of the fiscal year. Partners that join mid-year will receive a pro-rated invoice, after approval by the CalCCA Board.
