BEFORE THE PUBLIC UTILITIES COMMISSION  
OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Develop an  
Electricity Integrated Resource Planning  
Framework and to Coordinate and Refine  
Long-Term Procurement Planning  
Requirements.

R.16-02-007

**CALIFORNIA COMMUNITY CHOICE ASSOCIATION'S  
MOTION TO SHORTEN TIME TO RESPOND TO  
MOTION FOR AMENDED RULING AND EXTENSION OF TIME**

Pursuant to Rule 11.1 of the Commission Rules of Practice and Procedure, the California Community Choice Association (CalCCA) respectfully moves for a Ruling to shorten time for parties to respond to the *Motion for Amended Ruling and Extension of Time* (Motion) that CalCCA is filing concurrently with this motion on July 1, 2019, in the captioned proceeding.

The Motion requests that the Assigned Commissioner and Administrative Law Judge (AC/ALJ) amend their June 20, 2019 ruling<sup>1</sup> to include the full Staff analysis of near-term reliability concerns and underlying data. To accommodate this amendment and provide sufficient time for informed and useful recommendations, the Motion requests modification of the schedule for comments.

Rule 11.1(e) provides that responses to a written motion must be filed and served within fifteen (15) days of the date that the motion was served. CalCCA requests that the Commission

shorten the time to respond to the Motion to four (4) business days so that responses, if any, to the Motion will be due on Friday, July 5, 2019.

CalCCA requests a shortened response period to retain an expeditious schedule for comments on the Staff analysis. Assuming the Staff analysis is provided on July 8, as requested, comments would be due on July 29, with replies due on August 9.

For these reasons, CalCCA respectfully requests that the Commission shorten time for parties to respond to the *Motion for Amended Ruling and Extension of Time* to July 5, 2019.

July 1, 2019

Respectfully submitted,

Evelyn Kahl
