Order Instituting Rulemaking to Review,  
Revise, and Consider Alternatives to the Power  
Charge Indifference Adjustment.

Rulemaking 17-06-026

**JOINT MOTION OF PACIFIC GAS AND ELECTRIC COMPANY (U 39 E)  
AND CALIFORNIA COMMUNITY CHOICE ASSOCIATION TO AMEND SCOPING  
MEMO FOR ADDITIONAL COMMENT OPPORTUNITY RELATED TO WORKING  
GROUP ONE, ISSUES 8-12 FINAL REPORT AND TO EXTEND TIME TO REQUEST  
EVIDENTIARY HEARINGS**

Pursuant to Rule 11.6 of the Rules of Practice and Procedure of the California Public Utilities Commission (“CPUC” or “Commission”), Pacific Gas and Electric Company (“PG&E”) and the California Community Choice Association (“CalCCA”) respectfully make this Joint Motion for Additional Comment Opportunity and to Extend Time to Request Evidentiary Hearings Related to Working Group One, Issues 8-12 Final Report (“Joint Motion”).<sup>1/</sup>

Pursuant to Section 3.1 of the February 1, 2019 Phase 2 Scoping Memo and Ruling of Assigned Commissioner in this proceeding (“Scoping Memo”), July 1, 2019 is the deadline for the Working Group One Report on Issues 8- 12 Final Report to be filed and served (“Final Report”). Subsequent to the filing and service of the Final Report, the Scoping Memo provides parties an opportunity to request motions requesting evidentiary hearings by the tenth working day after filing and service of the Final Report.

PG&E and CalCCA are Co-Chairs of Working Group One. On Tuesday, June 25, 2019, PG&E and CalCCA hosted a meet and confer teleconference concerning the procedural schedule applicable to the Final Report, and requested that parties provide feedback concerning modifications to the procedural schedule applicable to Issues 8-12 to accommodate additional comment opportunities. To fully develop the record concerning the matters described within the Final Report, the Co-Chairs proposed to amend the procedural schedule to provide for party

comments and reply comments on the Final Report, and modify the deadline pertaining to motions requesting evidentiary hearings to following the filing and service of reply comments.

Specifically, PG&E and CalCCA propose the following additions to the procedural schedule :

<b>R. 17-06-026, Phase 2 Schedule for Working Group One Benchmark True-Up and Other Benchmarking Issues</b>	
<b>Event</b>	<b>Date</b>
Opening Comments on Working Group Report on Issues 8- 12	July 19, 2019
Reply Comments on Working Group Report on Issues 8- 12	July 26, 2019
Motions Requesting Evidentiary Hearings on Issues 8-12	August 2, 2019

By this Joint Motion, PG&E and CalCCA respectfully request that the Administrative Law Judge (ALJ) to this proceeding grant PG&E and CalCCA amendments to the scoping memo to provide for additional commenting opportunities, and to extend the deadline for motions requesting evidentiary hearings. PG&E and CalCCA support such amendments to facilitate full record development to enable the Commission to reach a reasoned decision on those matters presented in the Final Report.

PG&E and CalCCA further request that, pursuant to Rule 11.3 (e), the ALJ reduce the time period to reply to this Joint Motion to four days. PG&E and CalCCA filed this Joint Motion following communication from parties, including the June 21 Meet-and-Confer discussion. [ ] support the Joint Motion.<sup>2/</sup>

---

<sup>2/</sup> See CPUC Rules of Practice and Procedure, §11.6, Motion for Extension of Time (“... If other parties to the proceeding are affected by the extension, the party requesting the extension must first make a good-faith effort to ask such parties to agree to the extension. The party requesting the extension must report the results of this effort when it makes its request....”).

For the foregoing reasons, PG&E and CalCCA respectfully request an Allowance to grant the Joint Motion and amend the Scoping Memo to adopt a modified procedural schedule as requested herein.
