Power Charge Indifference Adjustment.

R.17-06-026

**MOTION FOR LEAVE TO LATE-FILE
CALIFORNIA COMMUNITY CHOICE ASSOCIATION'S
OPENING COMMENTS ON PROPOSED DECISION**

Pursuant to Rule 11.1 of the Rules of Practice and Procedure of the California Public Utilities Commission, the California Community Choice Association¹ (CalCCA) respectfully requests leave to late-file its *Opening Comments of California Community Choice Association on Proposed Decision Considering Working Group Proposals on Departing Load Forecast and Presentation of Power Charge Indifference Adjustment Rate on Bills and Tariffs*.

Due to organizational changes on March 16, CalCCA erroneously re-filed comments in R.16-02-007 rather than filing the comments due in this proceeding. CalCCA does not believe any party will be prejudiced by granting this motion.

CalCCA respectfully requests that the Administrative Law Judge grant this motion and accept the late-filed comments, filed concurrently.

Respectfully submitted,

Evelyn Kahl
General Counsel to the
California Community Choice Association
