Application of Southern California Edison

Resource Recovery Account Trigger Mechanism;  
Expedited Treatment Requested

A.24-05-025

**JOINT STATEMENT OF SOUTHERN CALIFORNIA EDISON COMPANY (U 338-E)  
AND CALIFORNIA COMMUNITY CHOICE ASSOCIATION**

Pursuant to the *Administrative Law Judge’s Email Ruling Granting Party Status, Directing Joint Statement on Discovery & Stipulation, Directing Applicant’s Submission of Materials & Statement, and Directing Parties’ Feedback on Schedule No Later than June 20, 2024* (Email Ruling) dated June 18, 2024, Southern California Edison Company (SCE) and California Community Choice Association (CalCCA) respectfully submit this *Joint Statement* (Joint Statement).<sup>1</sup> The Public Advocates Office of the California Public Utilities Commission (Cal Advocates), while not a signatory to this Joint Statement, has authorized SCE to make certain statements on its behalf, as indicated below.

**I.  
INTRODUCTION**

On May 30, 2024 SCE filed the *Application Regarding Energy Resource Recovery Account (ERRA) Trigger Mechanism; Expedited Treatment Requested* (Application). The Honorable Administrative Law Judge (ALJ) Justin Regnier held a prehearing conference (PHC) on June 13, 2024 at which CalCCA and Cal Advocates sought party status in this proceeding.

---

<sup>1</sup> Pursuant to Rule 1.8(d), SCE confirms that counsel for CalCCA has authorized SCE to file this Statement on their behalf.

At the PHC, CalCCA indicated its potential preference to include both intervenor testimony and briefing in the proceeding schedule, although it did not indicate a specific intention to serve testimony or file briefs. On June 18, 2024, ALJ Regnier issued the Email Ruling, which (i) granted party status to CalCCA and Cal Advocates; (ii) set a deadline of June 20, 2024 for any party to indicate by filing a response to the Email Ruling whether it intends to serve testimony or file policy or legal briefing in this proceeding; and (iii) directed SCE to meet and confer with the other parties and to file this Joint Statement including the information discussed below. After the Email Ruling was issued, the parties met and conferred over email.

## **II.**

### **INFORMATION REQUESTED IN THE EMAIL RULING**

#### **A. Summary of Discovery and Stipulation of Reduced Time**

No party filed a response to the Email Ruling by June 20, 2024 indicating an intent to serve testimony or file policy or legal briefing in this proceeding. CalCCA does not intend to submit testimony or policy or legal briefing based on its and its experts' further review of SCE's Application. Cal Advocates has authorized SCE to state that it also does not intend to submit testimony or policy or legal briefing. Accordingly, the summary of discovery and the party stipulations as to reduced time for comments on a proposed decision, as detailed in the Email Ruling, are not required.

#### **B. SCE's Policy on Expedited Applications**

The Email Ruling also directed SCE to include in this Joint Statement SCE's policy for filing expedited applications in response to Commission Decision (D) 19-01-045, and to state whether it deviated from that policy in filing the Application. As restated in D.19-12-001, SCE's compliance policy for filing expedited ERRA trigger applications is as follows:

SCE must file a trigger application when the ERRRA balance exceeds the trigger point and is not expected to self-correct within 120 days; otherwise an advice letter is sufficient. If the ERRRA balance exceeds the 4% trigger point and is not expected to self-correct within 120 days, SCE will file an expedited trigger application. If the ERRRA balance exceeds the 4% trigger point and is expected to self-correct within 120 days, even if the 5% threshold is also exceeded, SCE will file an advice letter within 30 days of determining that the ERRRA balance is expected to self-correct within 120 days of being triggered; otherwise, SCE will file a trigger application.

SCE confirms that it complied with this policy in filing the Application.

### III.

#### CONCLUSION

SCE appreciates the opportunity to provide this Joint Statement as well as the prompt administration of its Application.

Respectfully submitted,

JANET S. COMBS
